RE: APPLICATION FOR LICENSURE

Dear Dr. Taraszka:

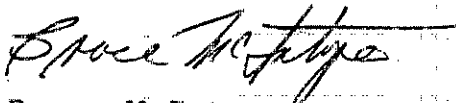

The Board of Medical Licensure and Discipline has reviewed your application for a license to practice medicine in the State of Rhode Island.

After consideration, the Board has elected not to approve your application, in accordance with the provisions of Rhode Island General Laws 5-37-4. The Board is giving you formal notice that the application is being denied.

The reasons for the denial are incorporated the "Petition for Emergency Suspension" and the "Stipulation and Consent Order for Voluntary Surrender of License" signed by you on February 12, 1996 with the State of Vermont, Board of Medical Practice.

You have the right to contest this denial of licensure in accordance with the procedure set forth in the "Administrative Procedures Act", 42-35 of the General Laws of the State of Rhode Island.

FOR THE BOARD,

Bruce McIntyre
General Counsel
